5 DELIVERY, STORAGE AND COLLECTION

Access to our storage facility is restricted to our employees, agents and contractors. Owners must deliver vehicles to the drop-off area from where we will arrange for the vehicle to be moved into the Storage Facility. The Owner (for himself and as agent for his guests and visitors) accepts that use of the drop-off area and entry into our Storage Facility is at that person's own risk.

The minimum period for storage of a vehicle is 30 days.

If we accept a vehicle for storage, you must complete a vehicle details form setting out full details of the vehicle, its registered keeper, beneficial owner and persons that you permit to drive or collect the vehicle out of storage, MOT details and whether the vehicle is taxed on an SORN status. It is your obligation to ensure that you keep us fully informed of the vehicle's tax and MOT status and notify us of any changes. You must also provide a set of all keys to the vehicle to one of our employees who will park, lock and alarm (if available) the vehicle. If, during the course of storage, any lock or alarm proves troublesome then we may at our discretion and without telling you leave the vehicle unlocked and/or de-activate the alarm. We operate 24 hour CCTV monitoring in the Storage Facility.

We advise that you retain a second set of keys for your vehicle, we shall not be liable for loss or damage resulting from inaccessibility of keys.

We require at least 48 hours' notice for the collection or return of any vehicle from/to the Storage Facility unless otherwise agreed. We reserve the right to charge an additional fee (the out of hours charge) for vehicle arrivals or departures on shorter notice, on public holidays and between the hours of 8:00 p.m. and 8:00 a.m. (out of hours period). The amount of any such out of hours charge is stated on our website or available upon request at our Storage Facility reception. Any vehicle left at or near to the Storage Facility where a prior appointment has not been made are left entirely at the owner's risk.

Requests for delivery of a vehicle from the Storage Facility may be dealt with by special arrangement. We reserve the right to charge you on a time and distance basis, including the cost of fuel.

You must remove from the vehicle any valuable items which are not attached to the vehicle. We will not be responsible for loss of or damage to any such items. Please do not ask our employees to remove or store any such items for you, as we cannot accept responsibility or liability for them.

No articles of an explosive or dangerous nature may be left in the vehicle and it is your responsibility to ensure that the vehicle is in such condition so as not to cause damage or injury or the likelihood of damage or injury to any person or property.
